The above listed onsite sewer contractors are licensed through Lake Region District Health Unit (LRDHU) - Environmental Health Division, and are in good standing as of **4/12/21**. Installers licensed and in good standing may install on-site sewage treatment systems in these Northeast Central North Dakota counties: Ramsey, Benson, Eddy, Pierce, Rolette, Towner, and Cavalier, as well as statewide, provided they have a permit issued by the health unit or district prior to beginning any construction work on septic systems within these counties or statewide. Onsite sewer contractors from other areas of the state are also able to install septic systems in any of the 7 counties covered by LRDHU, provided they are in good standing and have a permit issued by LRDHU prior to beginning any construction work. A license through LRDHU is not an endorsement by LRDHU. Licenses are issued per regulations in the county/health unit/district in which the contractor has his/her business located.

Lake Region District Health Unit - Environmental Health Division; 524 4th Avenue NE, Unit 9, Devils Lake, ND 58301; (701) 662-7035; www.lrdhu.com
